

Student Addresses:

Many of the departments will send out letters or e-mails before each rotation. They usually use the street and e-mail addresses on Student Affairs' computer list. The process of students receiving letters and e-mails is only as good as the change of street and e-mail addresses students provide. Please keep Brandi Taylor (Reno) or Anni Drury (Las Vegas) informed of any changes in address and/or phone number. Brandi can be reached at 775-784-6063 x2022 or via e-mail at bjtaylor@unr.nevada.edu. Anni can be reached at 702-671-6457 or adrury@med.unr.edu.

Spring Semester:

Order of the spring semester rotations for Family Medicine, Pediatrics, and Internal Medicine will not be finalized until November, at which time you will be notified by e-mail.
