Dr. Tracy Veach draws the scholarship winner's names out of a hat.

\AMC Annual Meeting in Seattle

Many of UNSOM's distinguished faculty attended this year's AAMC Annual Meeting October 27- November 1, 2006 in Seattle. The AAMC President addressed the attendees to affirm the "public good." If you attended this year's annual meeting we would love to hear your thoughts and report them back to your peers. If you are interested in contributing to future News

Briefings please contact the Office of Faculty Affairs and Development at ofad@unr.edu. Look for Dr. Tracy Veach's report on different aspects of the meeting and how they related to faculty development in future News Briefings.

Sponsorships

The Office of Faculty Affairs and Development is pleased to announce the sponsorship of, **Dorothy Hudig, Professor of Microbiology & Immunology**, to attend the Mid-Career Women Professional Faculty Development Seminar, December 16-19, 2006 in Scottsdale, AZ. This seminar will explore opportunities and realities of senior administrative positions in academic medicine, develop key competencies of academic and organizational leadership, and expand a network of colleagues and a vision of one's own potential.

Congratulations to Dorothy Hudig!
