DATE: March 20, 2009

Welcome to Internal Medicine!

Before beginning your Internship in Internal Medicine, all interns must be certified in BLS/ACLS and must maintain certification throughout residency.

This year the new resident Initial BLS and ACLS classes will be held on Friday, June 26th and Saturday, June 27th at the Delta Point Building in the Emerald Room. BLS Initial will be done as a part of the ACLS Initial Class. The class times each day will be 7:30 a.m. to 4:00 p.m. (See the Orientation Week Itinerary ([LINK](#))).

If you are currently certified and the certification date extends through the end of June 2010, you do not need to attend the course. However, you must provide a copy of the front AND back of BOTH CARDS signed by you.

If you are NOT certified or if your certification expires prior to June 2010, you must register for this course.

Please complete the following:

NAME: _____

YES, I am currently certified in BLS/ACLS and my certification will not expire before July 2010. I have included copies of my BLS/ACLS certification cards (front and back).

NO, I am not currently certified or my certification will expire before July 2010. Please register me for the BLS/ACLS certification course.
